Dear Residents,

UPDATE: CATERING AND BISTRO SERVICES

As most of you will be aware we have been on a journey to find a suitable solution to the catering and bistro services within our village.

After reviewing multiple external proposals and considering insourcing this service, we have decided to award the opportunity to Freedom Foods as our new supplier of catering and bistro services.

Freedom Foods is known to many of the residents within the village, already providing high quality meals, consistently, delivered to homes contracted by residents privately. They will move their entire operation to Evergreen Noordhoek and they will be utilising our facilities, thus we can expect freshly prepared meals daily, made on the premises.

Our current supplier, Tsebo, will serve their last meal in the Village on **Sunday 26 May**, thereafter we will have a short break in service, due to general maintenance, servicing of equipment and deep cleaning of the kitchen and services area in the Bistro.

Freedom Foods will send out a delivery menu closer to the time, where you can order your daily meals as a delivery from Monday 27 May 2024 to Thursday 06 June 2024.

We will host an official launch function on **Friday 07 June 2024 from 16:00 to 19:00** in the Bistro where everyone is invited to come and meet the owners Darren and his wife Sarah who will operate our kitchen daily.

We are extremely confident that we have made the correct decision and we ask that you please support Freedom Foods, they are a family run business and their food is made with love and passion.

Kind regards,

Garry Reed

Managing Director
