

Welcome to the Evergreen Noordhoek Team Tyrell Hendricks!

"Hello everyone!

A bit about myself: I'm a 43-year-old hospitality professional with a passion for delivering exceptional guest experiences. I have 13 years of industry experience, I've had the privilege of working in various roles, from call centre agent to duty manager and guest services.

My journey began at the prestigious Westin Grand Cape Town, where I honed my skills and developed a love for the fast-paced hospitality environment. For the past six years, I've been proud to serve as Duty Manager at Evergreen Muizenberg.

On a personal note, I'm a devoted family man with four wonderful kids. When I'm not working, you can find me outdoors, tinkering with my car, or spending time with my loved ones. I'm also committed to giving back to my community, volunteering at the CYCC children's home and participating in local community safety initiatives.

I'm excited to be part of the team.
