

30 March 2026

Dear Resident,

IMPORTANT STAFF NOTICE

I would like to take this opportunity to update you on an important staff change in the village.

Stephan Lloyd will be taking up a new challenge as General Manager of Evergreen Sitari full time from 1 June 2026. It is not unusual for senior management to be moved around within the business. We have started the recruitment process to replace him and will keep you informed on progress made. I would like to thank Stephan for his service to Evergreen Noordhoek and wish him well with his new challenge, which I am sure he will make a great success of.

Please join me in congratulating Stephan and thanking him for his service to the village since 1 June 2023.

Warm regards,

Garry Reed

Managing Director | Evergreen Lifestyle Villages
