Dear Residents,

As we move further into winter, I hope you are keeping warm, well, and enjoying the comfort of our beautiful village. Even during the colder months, it is encouraging to see residents remaining active, supporting one another, and making the most of the many opportunities our community has to offer.

A gentle reminder to take extra care during the winter season by dressing warmly when venturing outdoors.

Our village team remains committed to maintaining a safe, well-managed, and enjoyable environment for all residents. We appreciate your patience and cooperation whenever maintenance work or operational changes are necessary, as these efforts help ensure that our facilities continue to meet the high standards.

Fynbos Bistro Notice.

Please note that on Monday, 13 July 2026, the carpets at the Fynbos Bistro will be professionally cleaned.

As a result, sit-down dining will not be available during the cleaning period. Takeaway meals will be available instead. To place your take away order, please contact the Bistro on Ext. 2404 or 021 001 4312.

The Bistro will resume its full dining service on Tuesday, 14 July 2026. We apologise for any inconvenience this may cause and thank you for your understanding and cooperation.

As we look ahead to Mandela Day, we are reminded that meaningful change often begins with simple acts of kindness. Whether it is offering a helping hand, sharing a smile, checking in on a neighbour, or giving your time to someone in need, every small gesture contributes to building a strong community.

Let us honour Nelson Mandela's legacy by embracing compassion and making a positive difference in the lives of those around us.

Wishing you a peaceful, healthy, and enjoyable week ahead.

Warm regards,

Elvirah Daniels- Assistant Village Manager

Nelson Mandela International Day is celebrated annually on July 18th to honor the late South African president's life, legacy, and commitment to human rights, reconciliation, and social justice. The global movement calls on individuals, communities, and organizations to dedicate 67 minutes of their time to public service, symbolizing the 67 years Mandela fought for freedom.

The Meaning Behind the Day

The day is rooted in the African philosophy of Ubuntu. This emphasizes shared humanity and interconnectedness. Inspired by Mandela's call for the next generation to take on the burden of leadership, the United Nations officially declared the day in 2009. Rather than a day off, it is widely treated as an active "day of work" where participants stretch beyond their daily routines to lift the burdens of others.
