Memo 07/2017: Watering days

Dear Residents,

At the moment we only have 2 watering points connected to the current tanks and we will not be able to water within the designated times indicated by the CoCT. According to Markus Elmau from Whitecliffs Landscaping, because we are using our own water, we are not bound to the times set out by the CoCT.

New Watering days

Nigel-Tuesday and Fridays (Units 1-19, 65-67)

Osuman-Monday & Wednesdays (Units 26-38, 39-48)

Wonderful-Tuesday & Fridays (Units 20-25, 49-57, 58-64)

Wellington takes care of the Phase 2 gardens.

Kind regards,

Melanie Carstens
