Memo 12/2017: LEVEL 4B WATER RESTRICTIONS

Dear Residents,

The City of Cape Town is requesting with immediate effect that all water users use less than 87 litres of water per person per day in total irrespective of whether you are at home, work or elsewhere.

Restrictions applicable:

- No watering/irrigation (with municipal water) of flower beds, lawns, vegetables and other plants.
- Customers making use of borehole water are encouraged not to water /irrigate within seven days after rainfall that provided adequate saturation.
- All boreholes and well points must be registered with the City and must display the official City of Cape Town signage clearly visible.
- Use of treated effluent/greywater is encouraged for toilet flushing purposes.
- No washing of vehicles using municipal water.

Kind regards,

Melanie Carstens
