August 2018

Dear Evergreener's

It seems a while since the last Tendril and lots has happened. A fair amount of rain has fallen during June but we are not out of the woods yet. Level 6B water restrictions still apply and we are only allowed to use 50 litres of water per person per day. I was fortunate to visit Vietnam during June. Our journey started in the south at Ho Chi Minh City, then to Hoi An (central) and ended in Hanoi in the north. What an experience, a totally different culture and what lovely people. They are hard working even into their old age. The attached picture was taken in Hanoi with the goods of a street vendor. Strong woman who carry this heavy load all day long. We are celebrating Woman's Day on 9 August and have arranged an evening event with entertainment by Derek & Linda Gordon. The show is called "Abba meets Elvis". Derek was also part of a band called "The Bats" years ago. Not to be missed. Until next time, take care. Melanie

David Philander was awarded the Evergreen Way "Pride" Badge at the end of May. David takes real pride in the work he does. Residents always comment on how clean and neat areas are when David has been working there. Thank you David for setting such a good example for all to follow.
