

It's February, the month of LOVE and we will be celebrating it with a Valentines Day Dinner on 14th February. Derek and Linda Gordon will be providing the entertainment and this may be the last time we enjoy them as they are moving to Plettenberg Bay thereafter. We have thus far handed over 3 new homes and these residents are enjoying their beautiful homes and new surroundings. I know we can count on you to give them a warm welcome whenever you meet them. Lesley De Wet will be leading our new hiking group on their first walk from Muizenberg to Kalk Bay on 24 February. Hugh Till will be doing a slide show presentation on Winter Lights in London on 13 February at 6pm. Until next time, take care

Suzie Kietzmann, House 25 celebrated her 80th Birthday on 25 January. Suzie decided a while back she wanted to Sky Dive to celebrate this day. Her daughter tried to dissuade her but in vain. She bravely took to the air and made a perfect landing with the instructor. Well-done Suzie in showing that when you put your mind to doing something the sky is indeed the limit!

John Morgan and Pat Swilling demonstrated the use of **gym equipment** on 10 January. If you are unsure of how to use any of the equipment please contact John on Ext 102 or Pat on Ext 164. "I've often been asked, 'What do you old folks do now that you're retired?' Well...I'm fortunate to have a chemical engineering background and one of the things I enjoy most is converting beer, wine and vodka into urine. I do it every day and I really enjoy it."

Divorce 😢 😢

A Polish man moved to the USA and married an American lady. Although his English wasn't perfect they got along very well.

One day he rushed to the solicitor's and asked him if he could arrange a divorce for him. The solicitor said that getting a divorce would depend on circumstances and asked him the following questions:

Have you any grounds?

Yes, an acre and a half and a nice little home No, I mean what is the foundation of this case? It made of concrete

I don't think you understand. Does either of you have a real grudge?

No, we have a carport and not need one

I mean what are your relations like?

All my relations are in Poland

Is there any infidelity in your marriage?

We have hi-fidelity stereo and a good DVD player

Does your wife beat you up?

No I always up before her

Is your wife a nagger

No she white

Why do you want this divorce?

She going to kill me 🖼

What makes you think that?

I got proof.

What kind of proof?

She is going to poison me.

She bought a bottle at drug store and put on shelf in bathroom. I can read English well and it says:

POLISH REMOVER!!!!!
