Memo 1/2019

Dear Residents

Please join me in welcoming our newest member of staff, Susan Everett, to Evergreen Muizenberg. Susan is joining us as a Duty Manager and comes with a wealth of experience, we wish her well.

In line with our vision of delivering a world class service to our residents of Muizenberg we have introduced a 24 hour Evergreen staff presence in the village. You will now always have someone available should you need any kind of assistance day or night.

Kind regards

Melanie Carstens
Village Manager
