Memo 9/2019

Dear Residents

Assistant Village Manager: Chantelle Johansson

Chantelle has worked in the hospitality industry for the past 14 years, after completing her studies in Hospitality Management. She's worked at Steenberg Vineyards since 2010, managing the Tasting Room and Wine Club.

Chantelle and her husband are new parents to 10-month-old James. She enjoys spending time with friends and family, and her hobby is wine tasting. She loves visiting wine estates in her free time. Chantelle is very excited to join the Evergreen family and looks forward to the new challenge that lies ahead.

Kind regards

Melanie Carstens
Village Manager
