**WOODSTOCK,  
PEOPLE AND PLACES**

An Illustrated Talk  
by

**Gabriel Athiros**

The speaker will present  
aspects of historical  
Woodstock and then  
present the newly published  
book written by a stalwart of  
the Cape Town Hellenic  
Community  
*Demetri Zitianellis*

*People and Places* is a sensational story, combining autobiographical details and lasting impressions, while giving a vivid account of the intense experiences of the first thirteen months the writer spent as a young immigrant in South Africa.
