**SPRING**

# Three Ingredient Scones

▶ This easy scone recipe only requires 3 ingredients; self raising flour, cream and lemonade - that's it! Better still, these scones are so good that you will never make scones the hard way again

▶ Recipe type: Dessert, Snack

▶ Cuisine: Scone, Afternoon Tea,

▶ Serves: 20

▶ **Ingredients**

3 cups (450g) of self raising flour

1 cup of thickened cream / heavy cream\*

1 cup of lemonade (like Sprite)

▶ **Instructions**

Preheat oven to 200 °C (400 °F).

Place flour in a large mixing bowl.

Add cream and lemonade and mix to combine.

Turn the mixture out onto a well-floured board and knead with extra flour until smooth (mixture is very sticky initially).

Use your hand to flatten the scone dough out to about 2 -3 cm (1 inch) thick and then cut into rounds with floured scone cutter.

Place scones onto a lined baking tray so that they are just touching and then bake for 15 to 20 minutes.

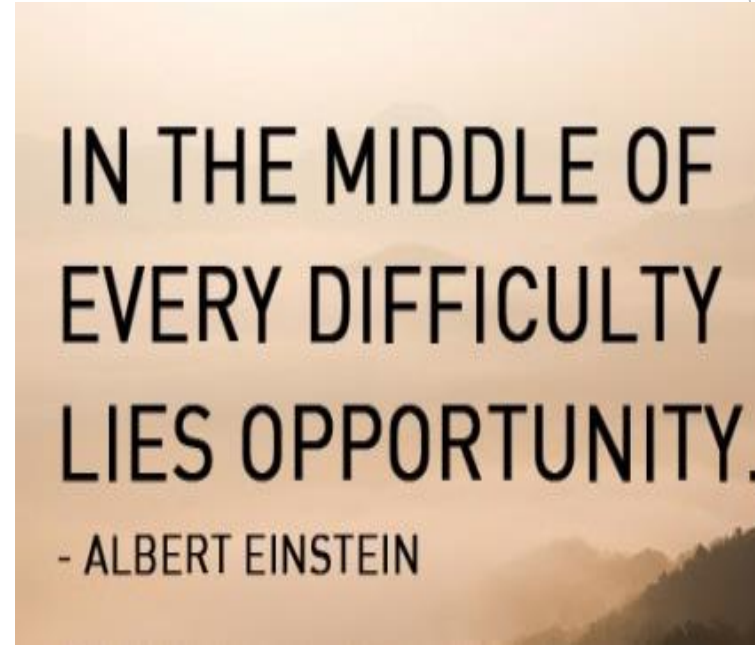

Scones are cooked when they are golden brown and can be easily pulled apart where they are joined.

Feel free to Send in photo's (or tasters 😊) of your Scones

Remember every night at 8pm - Show your appreciation to the front line staff
