TRUST THE WAIT.
EMBRACE THE
UNCERTAINTY.

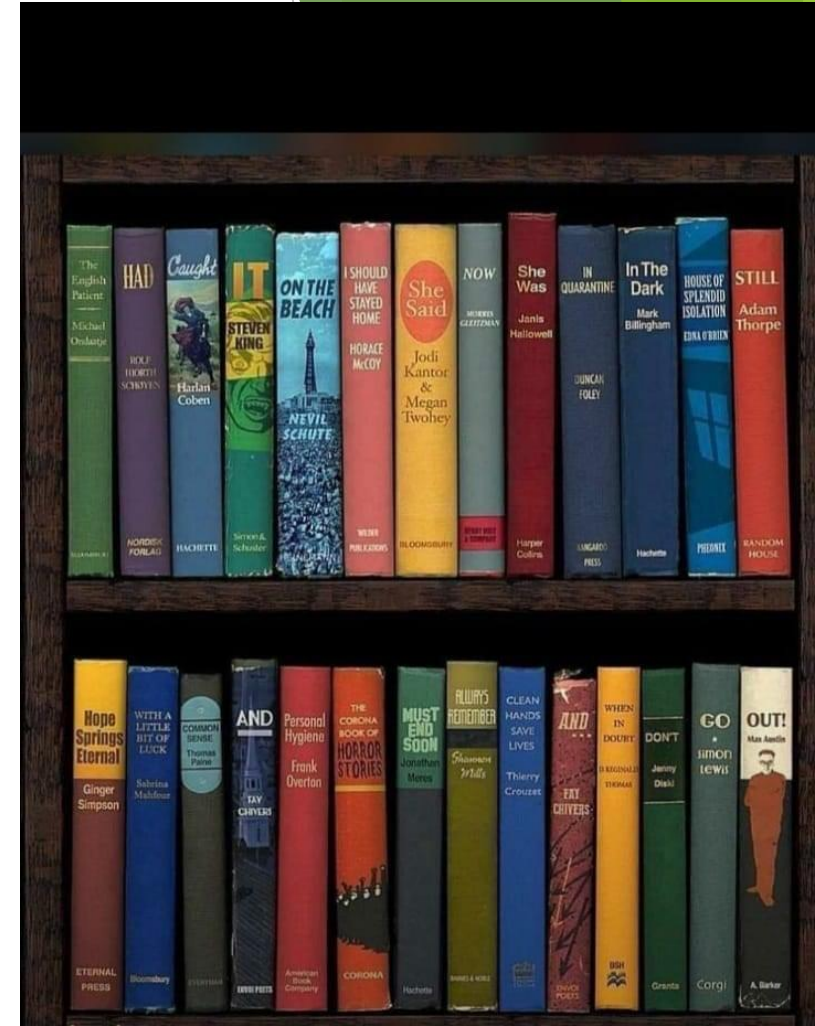

My face masks have finally arrived!

The police just pulled me over and said, "Papers?" I said, "Scissors, I win!" and drove off. I think he wants a rematch - he's been chasing me for 45 minutes!

😊😊

Lock down MAY END or MAY NOT END by MAY END as it MAY extEND, but MAY will END by MAY END as it MAY NOT wait for Lock down to END..Got it?

Not to brag or anything, but I got the high score on my scale today.

#evergreenshaveforthebrave #evergreenhairforcare

Some of you might have seen on Facebook that we have started a campaign where we are challenging male residents to shave their heads.....that sounds rather sexist, let me re-phrase that, we are challenging ALL residents to shave their heads.....come on ladies, I dare you !!

For those ladies not so brave we are challenging you to colour your hair green.

All of this is support of the frontline staff, the brave ladies and gents from healthcare that are risking their lives to fight the pandemic and also to show our deepest condolences to those that have lost their lives.

I have some clippers in my office for those who do not have, please make use of them.

REMEMBER to practice "social – distancing", sanitise before and after use. We are busy sourcing some green food colouring for the ladies hair.

Looking forward to receiving many photos of shaved heads and colourful pictures of green hair.

So, #evergreenshaveforthebrave or #evergreenhairforcare

We have already had some brave Residents take up the challenge.
