I put some dishwashing liquid into my bath water last night.

And I just sat there, chilling in the Sunlight.

For South Africans, this will not be remembered as the time we were stuck at home for eleventy years.

It will be remembered as the time we had uninterrupted electricity.

Let me explain to you what LEVEL 4 means:

LEVEL 4 means LEVEL 4

LEVEL 4 is not LEVEL 1

LEVEL 4 is between LEVEL 3 & 5

LEVEL 4 will take u to LEVEL 3 if u treat it like LEVEL 5

LEVEL 4 will take you back to

LEVEL 5 if you treat it like LEVEL 1

Some of you might have seen on Facebook that we have started a campaign where we are challenging male residents to shave their heads.....that sounds rather sexist, let me re-phrase that, we are challenging ALL residents to shave their heads.....come on ladies, I dare you !!

For those ladies not so brave we are challenging you to colour your hair green.

All of this is support of the frontline staff, the brave ladies and gents from healthcare that are risking their lives to fight the pandemic and also to show our deepest condolences to those that have lost their lives.

I have some clippers in my office for those who do not have, please make use of them.

**REMEMBER** to practice "social – distancing", sanitise before and after use.

We are busy sourcing some green food colouring for the ladies hair.

Looking forward to receiving many photos of shaved heads and colourful pictures of green hair.

**Apologies to Keith Elkin – Photo omitted last week...He was our first Resident to take up the challenge, at Muizenberg.**
