Dear Sir/Madam

UPDATE: EVERGREEN CARE CENTRE

After many years of operating the Care Centre at Evergreen Muizenberg Village, the Unique Health service contract has come to an end and will cease operation on the 31st August 2020.

It has been a remarkable experience, together with our partners Evergreen Lifestyle Villages to have provided you with care over many years.

As of 1 September 2020, operations in the Care Centre will be managed by Evergreen Health. Further communication from Evergreen Health Management will follow shortly.

Wishing you and your loved ones, a long life with health and happiness.

Yours sincerely
