## BISTRO ACCOUNT DETAILS

### **WE ARE GOING CASHLESS AS OF 1 MAY 2021**

This minimizes the risk for the village and residents. Credit / Debit Card facility is available & EFT's are accepted at the bistro. No cash will be accepted.

### **How does the prepaid account work?**

Residents are to pre-load credit onto their account via EFT or Card Payments.

After each transaction made, residents will receive a slip for items taken on account & a signed copy will be kept with us as proof of purchase.

A monthly debtor statement will be available upon request for residents to reference.

Sadly we will no longer accept arrear payments. Please ensure your cards accounts are topped up.

### **EFT Payments:**

Please supply us with a proof of payment made via EFT. This helps us to update your account immediately and not having to wait for our busy accounts department for confirmation.
