Cupcakes of HOPE is a Non-Profit Company (NPC 2012/103028/08) and a Public Benefit Organisation (PBO930053726), and our aim is to raise awareness and funds for families in need of medical assistance, we do this through our love of baking cupcakes...

We have several events during the year but our main event is hosting South Africa's National Cupcake Day 4 Kids with Cancer in September. This is an entirely community-driven project and an amazing event that brings the whole community together for an awesome cause! As September is Childhood Cancer Awareness Month, we distribute leaflets with the Early Cancer Warning Signs.
