Caring for people with disabilities

MUIZENBERG EVERGREEN WHITE ELEPHANT STALL

29 OCTOBER 2022

in aid of the

TURFHALL CHESHIRE HOME

Dear Evergreen Residents,

From the bottom of our hearts - We are delighted to be the beneficiary of the White Elephant Stall and would like to thank all the supporters and the Team driving this event. Thank You!

We are a residential facility for 60 physically disabled adults, who rely on the [Turfhall Cheshire Home](http://www.turfhall.org.za) to provide 24 hour Specialised Care including nutritious meals, laundry services and specialised transport to medical appointments. Each resident is dependent on their wheelchair and our trained Carers to assist them with bathing, feeding, hygiene and social interaction. To avoid pressure sores, our Carers have to turn/reposition a resident every 3 hours.

Our doors opened in 1984, and we are proud to share our mission assisting people with disabilities, regardless of their colour, race or creed, by providing the conditions necessary for their physical, mental and spiritual well-being. Without the Turfhall Cheshire Home's 24 hour Specialised Care Program, our residents will not survive. The families of our vulnerable residents cannot provide the care they require, due to a litany of unfortunate circumstance such as poverty, unemployment, and accommodation constraints.

We have a team of volunteers and kitchen staff who rally around to ensure our residents receive 3 nutritious meals per day. However, with the increase of utility bills and food prices we are drumming up support to reduce our utility and monthly food bills.

If you would like to continue making a difference - Our greatest need is funding, to continue providing specialised care and nutritious meals to our vulnerable residents. Donations can be done via EFT: **Turfhall Cheshire Home, Standard Bank Acc No: 072930268 Branch: 026209.**

Thank you for supporting our mission and we wish you and your families a wonderful year ahead.

Kind regards,
