

# Happy Holidays

It is a pleasure to wish ALL 'Evergreeners' a safe and restful Christmas and to thank you all for what you do to make Evergreen what it is.

As the beloved TV Sitcom character Norm says in Cheers – Everybody knows my name.

You are all part of a team of friends and neighbours, activity groups, committees and staff.

Thank you to you all for the continuous ripples of fun and laughter at Evergreen.

It has been a tough year, health wise for me but the kindness of all has been amazing. Thank you.
