St. Patrick's Day 2023 will take place on Friday, March 17. The Irish have observed this day as a religious holiday for over 1,000 years.</p> <p>Why do we wear Green on this day?</p> <p>Leprechauns are actually one reason you're supposed to wear green on St. Patrick's Day—or risk getting pinched! The tradition is tied to folklore that says wearing green makes you invisible to leprechauns, which like to pinch anyone they can see.</p>
