Dear Residents,

**Evergreen Health – Nursing Services Manager**

Evergreen Health's Nursing Services Manager, Cecile O' Neil, will be leaving her position as Nursing Services Manager on 30<sup>th</sup> June 2023. We are immensely grateful for Cecile's dedicated service and the care she has provided to our residents. She will be missed.

During this transition, we are fortunate to have a highly qualified and experienced individual stepping into the position on an interim basis. Dr Guin Lourens, currently Evergreen Health's Clinical Health and Compliance Manager, brings a wealth of expertise and a strong commitment to maintaining the highest standard of care. With Guin's leadership, we are confident in the continued delivery of excellent nursing services that you deserve.

Rest assured, we are actively working to find a permanent replacement for the Nursing Services Manager position and will keep you informed of any updates in the coming weeks.

If you have any questions or concerns during this time, please don't hesitate to reach out to me or our nursing staff. We appreciate your understanding and support as we navigate this change and ensure a seamless transition of care.

Best Regards

**Elize Porter**
