

Dr. K Khan

I commenced Private General Practice in Grassy Park in August 1992 having qualified in 1984 and having worked at various hospitals including QE2 Lesotho, Baragwanath Gauteng and various hospitals in KZN and Cape Town.

In Cape Town I was a Tutor/Assistant Lecturer in the Dept. of Anatomy UCT and subsequently worked as a Registrar in Surgery in the Trauma Units at GSH and Red Cross Hospital followed by a stint in the Medical Emergency Unit Groote Schuur Hospital. This was followed by a Registrarship in the Dept. of Anaesthesiology at GSH. I completed a Post Graduate Diploma in Procedural Sedation. During my time in General Practice I have also been working part time in the Emergency Unit at Constantiaberg Medi Clinic until 2020. I also did OPD sessions in the Rheumatology Department at Tygerberg Hospital until 2021. I undertook a Masters Degree in Sports Medicine at the University of Pretoria which I intend completing. I completed the Post Graduate Diploma in Occupational Health (UCT)

and Certificates in Travel Medicine and recently Level 2 Dive Medicine. I have a special interest in Geriatric Medicine and have attended the lecture series for the Diploma in Geriatric Medicine conducted annually for the past several years. I have completed courses in the following disciplines:

- Diabetes (Centre for Diabetes and Endocrinology)
- Addiction Medicine (SAAMS)
- Advance Healthcare Management (FDP)
- HIV & PTB (FPD)

Our practice is in the process or being accredited by SAMSA.
