

Happy Holidays

Christmas is a time of warmth, joy and togetherness where the spirit of giving and love fills the air. It's the season that brings people closer as families and friends to gather and celebrate traditions, share meals, and create lasting memories.

We would like to say a huge thank you to every resident who so kindly and generously contributed to the annual "Christmas Gratuity Fund" for the village staff team. This gesture went a long way in making everyone's Festive Spirit shine a little brighter.

From all of us at Evergreen Muizenberg, we wish you a safe and wonderfully happy festive season and a Happy New Year.
