

NOVEMBER 2024 RESCOM SECURITY REPORT

15/11/2024

No security issues reported within the village or that I'm aware of.

The SAPS Joint Meeting planned for 29th October didn't happen and was re-scheduled at the last minute for 5th November which I couldn't attend as I was away.

Attacks and robberies against pedestrians is a concern in the Muizenberg precinct particularly in Prince George Drive, Sunrise Boulevard and will increase with the coming festive season. SAPS and other security providers will increase focus and patrols in these areas. Also ongoing gang activity in neighbouring hotspots that doesn't affect us but we should be aware. Theft out of motor vehicles also a concern and encourage people not to leave items to view in unattended vehicles.

STAY SAFE OUT THERE

Mike Odd
