

27 January 2025

Good Afternoon,

CHANGE OF VILLAGE MANAGER – EVERGREEN MUIZENBERG.

Christine Dempers will be going on retirement in 2025. Her last working day at Evergreen Muizenberg will be 30 April.

She has been part of the Evergreen Lifestyle Villages family for the last 11 years and has served in various positions within the company. Initially starting at Evergreen Bergvliet as Village Manager and then moving to Evergreen Diep River in a similar position.

Early in 2024, Christine moved to Evergreen Muizenberg and has gone above the call of duty to ensure our residents are well looked after. I am sure that she will be sorely missed not just by the residents, but also by her colleagues and staff.

I would like to thank her for her service and I wish her well on her new journey, hopefully she gets lots of time to spend with her loving husband Leon as well as her children.

To this end, as of 1 May 2025, Evergreen Muizenberg will be managed by **Riaan Gouws** as Village Manager. Kim Whitworth will play a larger role in the day-to-day operations of the village. Riaan has been an integral part of the growth and improvement of Evergreen Lifestyle Villages and has considerable experience in this field. I am confident that he will make an impact at Evergreen Muizenberg like he has at the other villages that falls under his management namely Evergreen Bergvliet and Evergreen Diep River.

Congratulations, and all the best in the new challenges that await you.

Best wishes

Garry Reed

Managing Director

Evergreen Lifestyle Villages
