

Dear Resident,

If ***FIXED Levies for Life*** sounds good ...

How about ***LESS levies for life?***

Or even ***NO levies for life?***

Imagine the possibilities - like taking the holiday you've always dreamt of, embarking on a new adventure, spoiling the grandkids, or simply enjoying life's little luxuries.

Well now you can, thanks to Evergreen's latest reward-based innovation - ***Switch & Save*** - available exclusively to existing Evergreen residents.

To find out how you can unlock real savings and enjoy greater financial freedom, please join us for a short presentation on **Wednesday 5 March, at 10:30am, in the TV Lounge.**

We look forward to seeing you there! This really is an opportunity you cant afford to miss.

Please RSVP via the village management team.

Kind regards

Garry Reed
