

LIBRARY NEWS No9

4TH FEBRUARY 2025

This is the first report from the Library for 2025. We welcome all new readers and our regular readers who constantly support the library.

Again, we thank all those residents who have donated books throughout the year and especially COLLYEEN SINCLAIR and FRANKIE STAFFORD who regularly keep adding to the shelves, new books.

The binders left out on the table with reviews and photos of books that have come in throughout last year, and to date, have been updated so we suggest you refer to these when you are looking for a new read as well as referring to the posters on display.

COLOURED DOTS: These are to signify the following:

Fiction

Red Books acquired July 2023 - July 2024

Blue Books acquired July 2024 – July 2025 (current)

Non-Fiction

Green and Purple on the spine of all books in this category

CARDS – This Library was started by the late Carol Smuts who was a qualified Librarian. She decided that as we are retirees this should be an HONOUR LIBRARY. All that is required is that residents open a card for recording the books they have read. This is actually your personal record.

To those residents who keep their cards at home, we now REQUEST THE FOLLOWING:

Please record your name on the list fixed to the inside cover of the YELLOW REVIEWS folder. This will help us to contact you in the event that we are looking for particular book.

RETURNS -We earnestly request you to return books timeously especially popular books.

AUDIO BOOKS – Please can you search your shelves for any of these as we now have reason to build up a separate shelf for requests we are receiving.

RAFFLE – we are working on a raffle with a difference and look forward to your continuous support for funds to keep our book selection up to date.

Thank you again for your support and keep well and safe.
