

Gardening report for the March Rescom Meeting

Repair of the irrigation systems. Could Aashiq give Rescom an update on when the whole system will be working again?

Request to management for funds to replant the open areas where plants have died; Particularly at the entrance gate and in the boardwalk area

Confirmation of funds to be set aside from the Residents fund for a small gardening project

Clearing of the blocked pipe at the end of the Boardwalk stream before the winter rains cause the area to flood again
