

## **Entertainment and Activities for May 2025**

The Residents braai continues to be a favourite with the “bring and share” concept overflowing with a good chat and laugh.

Laubi’s second music evening as a treat and a 15min piece went down well as folk were quite happy to have the evening stretch to nearly 2 hours of various wonderful music.

Darling Cellars wine tasting went down well and there was a bumper turn out this time.

Just a thank you to all the folk offering to take on an activity that they are passionate about and run with it. This is what makes communal living great and new friendships are formed with like-minded people.

We are still looking for some active BEGINNER bridge people where they can learn and develop.

And a poker group has been mentioned!!
