EVERGREEN MUIZENBERG – INTERNAL TEAM CHANGES

Dear Residents,

I would like to inform you of some changes within the Evergreen Muizenberg Team.

Susan Fraser, who has been with Evergreen for several years as a Duty Manager, has resigned from her position and will leave us towards the end of November 2025. We thank Susan for her consistent commitment and valuable contribution during her time with Evergreen and wish her every success in her future endeavours.

We also wish to advise that Dominique Speelman, who was employed as a Receptionist, is no longer employed by Evergreen. We appreciate Dominique's positive contribution during his time with us and wish him well in his future career.

Both team members have built strong bonds with many residents and team members and will certainly be missed.

We have however taken this opportunity to reassess our operational needs and how we could improve our service delivery by making small adjustments in our internal structures.

As of 1 December, Laeeqah Bantam who you are all familiar with, will take on some additional operational duties during the week day, day shifts. This will ensure we start each day with a more consistent and structured foundation. We are currently in the process of interviewing candidates for the Duty Manager position and hope to make final a decision on the best suited candidate as soon as possible. We plan to also fill the Receptionist position in December only, with an internal candidate from one of our other Evergreen Villages.

We thank all residents for their understanding and continued support as we work to ensure a smooth transition and maintain the high standard of service you expect at Evergreen Muizenberg.

Kind regards,

Riaan Gouws
Village Manager
