EVERGREEN MUIZENBERG – INTERNAL TEAM CHANGE

Dear Residents,

I would like to inform you of an internal team change within the Evergreen Muizenberg Maintenance Team.

As part of our ongoing focus on development and knowledge sharing, Aashiq Poole—who has been with Evergreen since 2020—will be joining the Evergreen Sitari team from 1 May 2026. The extensive experience and knowledge he has gained at Evergreen Muizenberg will be a valuable asset to Evergreen Sitari, a rapidly developing village. This move also presents an exciting new challenge for Aashiq.

I would like to sincerely thank Aashiq for his dedication, contributions, and support over the past five years. Please join me in congratulating him on this new chapter.

We are pleased to announce the promotion of Nadeem Fredericks, currently Assistant Maintenance Manager at Evergreen Bergvliet and Diep River, to the position of Maintenance Manager for Evergreen Muizenberg. Nadeem has been part of the Evergreen family since 2017 and has progressed through the ranks through his hard work and commitment. Having worked closely with him, I am confident that he is well suited to lead the maintenance team from 1 May 2026.

In addition, this role will now be dedicated full-time to Evergreen Muizenberg, ensuring increased focus and support for our village.

Thank you in advance for your continued support as we implement these changes to further enhance your living experience.

Kind regards,

Riaan Gouws
General Manager
