

30 June 2026

Dear Residents,

CHANGE IN MANAGEMENT TEAM – EVERGREEN MUIZENBERG

I would like to inform you of some changes within the Evergreen Muizenberg Team.

Dustin Delport, who has been with Evergreen for several years as a Duty Manager, has resigned from his position and will leave us officially at the end of July, but will be taking annual leave in this notice period.

We thank Dustin for his commitment and valuable contribution during his time with Evergreen and wish him every success in his future endeavours.

As of 15 July, Amanda George will join the Muizenberg team. Amanda has been an invaluable member of the Diep River team for several years in a support role to the Village Manager. This opportunity will allow Amanda to further develop her skills within a larger team environment, and we wish her every success in this exciting move.

Thank you for your continued support and understanding as we implement these positive changes. We are excited about the opportunities they create for our team.

Best wishes,

Riaan Gouws

General Manager
