Dear Residents,

VILLAGE ACCESS: VALID DRIVER'S LICENCES

This is a friendly reminder that all visitors, residents, staff and contractors entering the village in a motor vehicle or on a motorcycle are required to have a **valid driver's licence**.

Please note that the same legal requirements that apply on public roads also apply within Evergreen villages. This includes:

- Holding a valid driver's licence.
- Being medically fit to drive.
- Ensuring the vehicle is roadworthy.
- Obeying all traffic rules and regulations.
- Carrying the required legal documentation.

If your regular visitor has been granted access via the **At the Gate** QR access system, please be aware that this **does not automatically authorise vehicle access**. A valid driver's licence must be linked to the QR access code.

These requirements are in place to protect the safety of our residents, visitors, staff, and the village as a whole. Failure to comply with these legal requirements may result in access being denied.

We appreciate your understanding and co-operation in helping us maintain a safe and secure environment for everyone.

Kind regards,

Kim Whitworth
Assistant Village Manager
