

GREAT NEWS!

TRUSTED BUSINESS FIBRE IS AVAILABLE

Melrose Arch is connected to an advanced carrier-grade fibre network! Open Fibre has installed fibre network infrastructure, allowing you to seamlessly connect to any Internet Service Provider (ISP) of your choosing within only 5 days from order.

Enjoy less frustration with your business connectivity.

With super-fast and symmetrical fibre speeds you can be rest assured that your business will always be connected and always online. Avoid the signup rush and express your interest today!

Contact Open Fibre today should you wish to discuss your business requirements or would like a FREE business fibre consultation.

**Month-to-month
