GREAT NEWS!

OPEN FIBRE IS INSTALLING FIBRE IN MELROSE ARCH

Melrose Arch will soon be connected to an advanced carrier-grade fibre network.

Open Fibre is installing fibre network infrastructure throughout Melrose Arch, allowing tenants to seamlessly connect to any internet service provider (ISP) of their choice .

In addition to the ISPs listed on the website, Open Fibre is also interconnected with Dimension Data, Vodacom , MTN, BCX, Seacom, Stem and others. These providers tend to offer bespoke solutions for large enterprises and introductions can be facilitated.

With trusted Business Fibre, you can enjoy a high-speed, secure and reliable connection that suits your business needs.
