Daily water supply system status updates: Friday, 18 November 2022 (Afternoon)

Water supply status update by exception (i.e. areas affected due to supply constraint and not service interruption from occasional pipe burst).

Unplanned interruptions

1. Contractor damaged main at Rugby Str cnr 9th Ave, Weltevrede park

Johannesburg Water has isolated the damaged main. Once relevant materials are delivered to site, repairs will commence. Affected areas include parts of Weltevrede park. Alternate water supply is provided through a mobile tanker, which is stationed at 9th Avenue cnr Rugby str. There is no estimated completion time at this stage and further details will be provided to customers.

2. No water parts of Fontainebleau and Malanshof

The damaged main has been exposed and removed at 66 Elise rd, Fontainebleau. Relevant materials will be delivered to site later this afternoon. Repairs will commence thereafter. Alternate water supply is being provided through mobile tankers to affected areas. Further updates will be provided to customers and there is no estimated completion time at this stage.
