Re Blitz Inspections

Kindly note that with effect from the 16/03/2026 the Inspectorate from the Department of Employment and Labour will embark on a Blitz Inspection. This means that employers will not be notified prior to Inspector visiting a workplace as we normally do. To avoid inconvenience thereof we request that you inform all your tenants at Melrose Arch Centre and Surrounding areas about this programme and advise them to co-operate with our Inspectors thereof.

Your anticipated co-operation is highly appreciated.

Kindly
Regards
